

Gallio Lab

*Department of
Neurobiology*

We are a new laboratory working on **Neural Circuits and Behavior** at the **Dept. of Neurobiology, Northwestern University in Evanston (Chicago)**.

We are now looking for **enthusiastic postdocs, students and technicians** to join our efforts to decipher the inner workings of the fly brain.

Check us out @:

<http://faculty.wcas.northwestern.edu/marco-gallio/>

Please send application material (CV and short email cover letter) to:

[**marco.gallio@northwestern.edu**](mailto:marco.gallio@northwestern.edu)
